17) *Submitted to His Highness.*

Paper under disposal

The Director of the Department of Mines and Geology submits a recommendation on behalf of Mr. B. Balaji Rao, Sub Assistant Geologist, that he may be appointed to officiate as Assistant Geologist instead of merely being placed in charge during the absence of Mr. Sampat Iyengar on two months privilege leave.

FROM *gud*

44-15 DR. W. F. SMEETH, M.A., D.Sc., A.R.S.M., &c.,
Director, Department of Mines and Geology,
Mysore State.

To

D.M. Narasinga Rao, Esquire, B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
General Department.

SIR,

I have the honour to forward, in original, a letter dated 28th January 1916, from Mr. Balaji Rao on the subject of his acting appointment sanctioned in para 2 of Government Notification No.G.9860-Geol.12-15-22, dated 12th January 1916.

2. My original recommendation was that Mr. Balaji Rao should be appointed Officiating Assistant Geologist and though I mentioned that he would take up part of Mr. Sampat Iyengar's work I did ^{not} mean that he should be merely in charge of Mr. Sampat Iyengar's duties.

3. I shall be glad if Government will kindly reconsider the order and allow Mr. Balaji Rao to Officiate. I mentioned that he should officiate in addition to his own duties simply to avoid the need for any further acting arrangements in connection with those duties.

4. I make the above suggestion not so much on account of the small increased allowance to be drawn as to secure recognition

recognition and encouragement for a junior officer who has been
working well and who has only rare chances of such temporary
promotion

I have the honour to be,

Sir,

Your most obedient servant,

Director,

Department of Mines & Geology.

59
26

Bangalore, 9

28th January 1916.

To

Dr. W.F. Smeeth, M.A., D.Sc., &c.,

Director,

Department of Mines & Geology.

Sir,

With reference to Government Notification No.G.9860-Geol.12-15-22, dated 12th January 1916, published in the Mysore Gazette of the 13th instant, directing me to "be in charge of the duties of the Assistant Geologist in addition to my own during the absence of Mr.P. Sampat Iyengar on leave or until further orders", I respectfully beg to state that it is a very sore disappointment to me that I should have been appointed not as an Acting Assistant Geologist, but only to be in charge of the duties of the Assistant Geologist. In a previous instance in which I was recommended for appointment as Acting Assistant Geologist when Mr. Jayaram was last on leave the Government were not disposed to sanction the recommendation. I cannot but look upon it as my misfortune that my case has not been accorded the same favourable consideration as that of my colleague Mr. Venkataramaiya who was appointed Acting Assistant Geologist during Mr. Sen's absence on leave last time.

I. J.

Para 29431
in the collection
herewith put up.

B4e

As you are aware chances of promotion in this Department are very rare and if the few opportunities that occur at very distant intervals are denied to us I leave it to you to imagine with what heart we could work and discharge the onerous duties assigned to us.

Under these circumstances, I request the favour of your recommending to the Government to reconsider and modify

the Lotification referred to above, and appoint me as Acting Assistant
Geologist.

I beg to remain,

Sir,

Your most obedient servant,

P. B. Balogh
Subst. Geologist
